

### Espagnolette lock

#### Installation

Please consider that the extending rods must be cut to required size when designing the cabinet and when choosing the accessories for the espagnolette lock:

With given internal cabinet height **(C)** and when mounting the espagnolette lock in the centre, the upper rod dimension is **(A)** and the lower rod dimension is **(B)**. Centre of lock case **(D)** – 25 mm

Due to the three different backsets (15, 25 and 40 mm), identical gap sizes can be produced for corner cabinets and rows of cabinets with the same drilling pattern.

Note: Standard Nova, backset 40 mm is prepared for continuous profile rods.

#### → Häfele Symo Piccolo-Nova

- > Area of application: For divided profile rod  $\varnothing$  6 mm, for cylinder cores that are inserted from the front on site
- > Material: Zinc alloy
- > Finish: Nickel plated
- > Backset D: 15 or 25 mm
- > Cylinder housing length: 22 mm
- > Installation: For screw fixing or press fitting

#### Backset 15 mm

Picture shows version for screw fixing

Installation	Mounting	Cat. No.
For screw fixing	Left	224.64.650
	Right	224.64.600
For press fitting	Left	224.63.650
	Right	224.63.600

Packing: 1 or 10 pieces

#### Backset 25 mm

Installation	Mounting	Cat. No.
For screw fixing	Left	224.64.660
	Right	224.64.610
For press fitting	Left	224.63.660
	Right	224.63.610

Packing: 1 or 10 pieces

#### → Häfele Symo Standard-Nova

- > Area of application: For continuous profile rod  $\varnothing$  6 mm or 8 mm, for cylinder cores that are inserted from the front on site
- > Material: Zinc alloy
- > Finish: Nickel plated
- > Backset D: 40 mm
- > Cylinder housing length: 22 mm
- > Installation: For screw fixing

#### Backset 40 mm

#### Functionality

The locking direction **(X)** can also be reversed when the lock is already installed, in this case the lock must be locked. When mounting the Standard-Nova espagnolette lock on the left hand side, a special rotary handle must be used, see Cat. No. 229.84.603.

Suitable for	Mounting	Cat. No.
Profile rods $\varnothing$ 6 mm	Left or right	224.65.610
Profile rods $\varnothing$ 8 mm	Left or right	224.65.600

Packing: 1 or 10 pieces
